ABOUT US

Om Space Academy, situated in the heart of Petaling Jaya, Malaysia, boasts an impressive array of facilities tailored for conferences and seminars. Its prime location provides easy access to the LDP Highway, making it convenient for attendees travelling from various parts of the city or beyond. The academy features two seminar rooms, each capable of accommodating different event sizes, with the larger space offering up to 2000 square feet of area. This flexibility ensures that both small workshops and larger conferences can be hosted comfortably.

The facilities provided by Om Space Academy are designed to meet the comprehensive needs of conference and seminar organisers. These typically include high-quality audio-visual equipment, comfortable seating arrangements, reliable Wi-Fi connectivity, and possibly catering services or breakout areas for networking sessions. Given its strategic location and the breadth of facilities available, Om Space Academy stands out as a prime venue for educational events, corporate meetings, and various seminars in Petaling Jaya.
